RULES OF CONDUCT, OFFICIATING RULES & DISPUTE RESOLUTION

All rules and procedures outlined in this Player Handbook & Tournament Regulations shall take precedence for the duration of the event. For any matters not explicitly covered herein, the tournament will refer to the [USA Pickleball Official Rulebook](#) as the guiding authority.

PLAYER CONDUCT

All participants must demonstrate good sportsmanship and respect for tournament officials, point guards, event crew and spectators and of course, other players.

Prohibited behavior includes:

- Swearing, taunting, racist remarks or trash talk
- Slamming paddles or balls in anger
- Persistent Arguing with Point Guards or other players
- Deliberate delays or unsporting tactics

ROLE OF POINT GUARDS

- Each court will have an assigned Point Guard throughout the match.
- They are **not referees**, and cannot make or overrule line calls, but they play a key role in maintaining fair and smooth play.
- Point Guard Responsibilities:
 - Ensuring timely match starts
 - Reporting match scores and outcomes
 - Monitoring conduct and resolving procedural issues
 - Noting disputes and alerting the Tournament Desk
 - Informing players of the rules & scoring format
 - Reminding players of serving / player positions

Please be respectful to your Point Guard at all times, as they are there to support fair play and ensure the tournament runs smoothly — any disrespectful behavior may result in a warning or disciplinary action.

SCORES

Scores will be confirmed with players immediately after each match by the assigned Point Guard. Discrepancies must be raised at that time — later appeals may not be entertained.

WARM-UP & WALKOVERS

- Players are allowed 2 minutes to warm up after being instructed by the point guard or referee.
- Matches must begin within 5 minutes of the scheduled start or when called.
- A 10-minute grace period applies. Failure to arrive within 10 minutes of match start may result in a walkover and recorded loss.

MEDICAL TIMEOUTS

- Players may request a medical timeout for injury or illness.
- The maximum duration is 15 minutes, including evaluation.
- A match may be resumed if the player is deemed fit.
- If not, the player/team will forfeit the match.

LINE CALLS

- Players are responsible for making all line calls on their side of the court unless a certified referee or line judge is present and the match has been designated as officiated.
- A ball is in if it touches any part of the line.
- If there is any doubt, the benefit goes to the opponent - "When in doubt, call it in." (Rule 6.D.3)
- Players must not call a ball out unless they clearly see space between the line and the ball.
- If both partners on a team disagree on whether a ball was out, the ball is considered in.
- Players may not call balls on the opponent's side of the court, doing so may result in official warnings.

Players may politely and briefly question a line call made by their opponents; however, they may not demand a reversal or overrule unless a qualified referee is present and the match is officiated.

Persistent arguing, confrontational behavior, or repeated disputes over calls made on the opponent's side may be considered unsportsmanlike conduct and may result in a verbal warning, technical foul, or disqualification at the discretion of the Tournament Director or Head Referee.

Intentional dishonest behavior or pattern of bad-faith calls will be escalated to the Head Referee / Tournament Director and **may result in suspension from the tournament.**

SERVICE & NVZ FOOT FAULT ENFORCEMENT

While Point Guards are not certified referees, they are authorized to stop play and call the following clear infractions:

- **Service foot faults**, such as stepping on or across the baseline during the serve.
- **Obvious NVZ foot faults** committed during a volley.

If a Point Guard calls a fault, the point is awarded to the opposing team. These calls are final and non-appealable. Repeated challenges to Point Guard decisions may result in conduct warnings or penalties.

IN-GAME DISPUTES & CHALLENGES

If a disagreement arises (e.g., line call, score dispute, or procedural confusion), players must:

1. First attempt to resolve it respectfully among themselves.
2. If unresolved, the Point Guard may pause the match and:
 - a. Encourage both sides to **agree to a replay**, or
 - b. Escalate the issue to the Tournament Director

If needed, a tournament official or qualified referee may:

- Make a ruling and instruct players to replay the point or continue from a known score
- Issue verbal warnings or code of conduct penalties
- Observe the remainder of the match
- Assign a certified referee if the dispute escalates.

Players must **not delay** the match indefinitely — repeated refusal to continue may result in a **default or forfeit**.

LINE JUDGES

- In finals or selected matches, line judges may be appointed.
- They are responsible for calling only the lines assigned to them, and may use hand signals in addition to verbal calls
- In case of a player appeal, the referee consults the line judge, but the referee's decision is final.

PADDLES / EQUIPMENT

All equipment such as paddles & balls must be on the USA Equipment Approved List:

<https://equipment.usapickleball.org/>

If any player believes a paddle is not USAP approved or does not otherwise comply with all paddle rules, the player is allowed to summon the Head Referee or Tournament Director to determine if the paddle is legal for play.

COACHING RESTRICTIONS

- Coaching is not allowed during a game or between points.
- Coaching is only permitted between games (e.g. between Game 1 and 2 in best-of-3).
- Any coaching during active play may result in a verbal warning, escalating to point penalties.
